5.	Crisis Resilience Fund - East Sussex Delivery Plan Framework	
5.1	DMT welcomed Mark Hendriks to DMT. MH introduced the report, the purpose of which was to ask DMT to: I. Note the background to CRF and the work that is completed and ongoing to develop our local East Sussex CRF Delivery Plan II. Agree in principle to the overall approach and high-level Delivery Plan Framework, noting that detail will be further developed and appropriate approvals sought for specific elements of the scheme	MW
5.2	DMT agreed this was all positive in terms of direction of travel, and key will be understanding where the biggest impact will be, and DMT providing a steer where there needs to be adjustments. Therefore, it was agreed for MH to attend DMT on a quarterly basis.	VS
